Report of Principal and School Improvement Council

Throughout the 2013-2014 school year, Wilder Elementary School continued the road to excellence by using data to drive instruction, which fosters academic growth for all students. Educators utilized Measures of Academic Progress (MAP), The Next Step Guided Reading Assessment of students, and running records as primary sources for student data. Parent, teacher, and student conferences were held in the fall and spring to set goals and review data. Wilder promotes flexible grouping and differentiated instruction which enables students to have one-on-one or small-group instruction.

To stay on the cutting edge of providing our students with effective teachers, professional development activities each month focused on delivery of instruction through the process of continued use of scientific-based instructional strategies. In addition, teachers were able to collaborate on many topics that helped support classroom instruction as well as the teacher's personal professional growth.

Students had the opportunity after school to participate in the STEM program which was part of a grant Sumter School District received from the Department of Defense Education Activity. Students were able to use the technology of I Pads and Lego construction to build more math and science skills. Students were also able to participate in an after school tutoring program. Highly qualified teachers also stayed after school to work with students on math and reading skills. Teachers used computer technology supported by Study Island and System 44 to enhance and supplement students reading and math skills.

As a result of our continued hard work, Wilder is an A+ school with an Absolute Rating of 96.8% on the ESEA/Federal Accountability System. Community and civic duties remain a priority at Wilder Elementary School. Our caring students collected and donated funds for Jump Rope for Heart, Relay for Life, Leukemia Society with "Pennies for Patients" and the local YMCA "Change a Life Campaign". To promote good citizenship in our students, we recognize Terrific Kids, Writer of the Week, and SOARING High character on the Wake-Up Wilder morning show. The staff and Sumter community share the mission to provide all children with an opportunity to excel in academics and in personal and social areas.

The school PTA and SIC have been dedicated to the needs of everyone at Wilder Elementary. Our PTA and SIC support our school celebrations and incentives for our students. With students, parents, staff, and community working together, we can continue to "SOAR to the Highest."

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	72.2
Overall Grade Conversion	C
